

Kickstart Your Career at Lake MacLeod in 2025

Programmed, in partnership with Leichhardt, is looking for motivated and reliable students to join our School-Based Traineeship Program.

This is a great opportunity to gain hands-on work experience with Leichhardt, earn money, and complete a nationally recognised qualification — all while you're still at school!

What's Involved

As a School-Based Trainee, you will:

- Work 1 day per week with Leichhardt's Lake MacLeod operations (you'll also have opportunities to work during school holidays).
- Be paid for all the time you work.
- Complete a Certificate II qualification delivered by Central Regional TAFE. This will count towards your WA Certificate of Education (WACE).

Pathways Available

Choose the area you're most interested in:

- Laboratory / Operations
- Mechanical / Maintenance
- Business Administration

What You'll Get

- Earn while you learn — get paid while building skills for your future!
- A nationally recognised qualification.
- On-the-job training with experienced and supportive mentors at Leichhardt.
- A flexible schedule that allows you to balance school and work.
- A head start on an exciting career!

What We're Looking For

To apply you need to:

- Be enrolled in Year 11 in 2025, at either Carnarvon Community College or St Mary's Star of the Sea Catholic School
- Be able to commit to working 1 day per week (you'll need to catch a bus at 5:30 AM and return at around 3:00 PM).
- Be a team player who is willing to take initiative and learn new things.
- Be ready to complete all the training required for this role.

How to Apply

- Write a cover letter explaining why you're interested in this opportunity.
- Include your resume (make sure it lists any school activities, volunteer work, or previous experience!).
- As part of the application process, you'll need to complete pre-employment checks (including a medical test and drug and alcohol screening).
- Apply online - use the QR code below!
- Applications close Friday 14th February 2025.
